UMass Women into Leadership Class of 2018
UMass Women into Leadership (UWiL) will welcome eleven Commonwealth Honors College students among its Class of 2018 Fellows. UWiL is a professional development and leadership program that prepares women for public service through seminars, interview practice, a series of workshops, and individual mentorship. UWiL creates pathways to leadership while addressing the gender gap in politics and creating a pipeline from public education into public service. Congratulations to the Class of 2018!
