The Hot Chocolate Run is a community celebration of Safe Passage, the Hampshire County organization addressing domestic violence. Run or walk to support Safe Passage, and enjoy a mug of homemade hot chocolate at the finish line.

Commonwealth Honors College will cover the registration fee for the first 40 students who want to participate. However, since only a small percentage of the registration fee goes to the organization, we are encouraging students to also fund-raise for Safe Passage (on behalf of the Commonwealth Honors College team). You will receive more information about how to do that after you register.

*If you contribute (or raise) $10 you will receive a team t-shirt

*If you raise $100 you will receive a Commonwealth Honors College gift

*If you raise the most money of the team, you will win a "wings party" for you and 5 of your friends!

We are partnering with CHC Residential Community for this event, they are sponsoring a bus to the race. It will leave campus at 8am on the race day (in order to be there for the start of the walking race - at 9am. Note: the PVTA bus does not run early enough on Sunday mornings to get you to the race).

Link to be one of the first 40 students on the team (CHC will pay race registration fee): https://tinyurl.com/Hotchoc18
