Attention, CHC Seniors!!

In 45 seconds or less, tell us about your Honors thesis/project.

Be creative. Keep it simple. Have fun.

Grab your phone and make a video that tells your story about your work and your journey.

Below are some ideas/suggestions we hope will inspire your creativity:

- Share why you chose your research topic
- Point out the implications of your research on our world
- Share the impact of the research journey on you
- Display a talent (play an instrument, rap, paint, yodel, dance, juggle, etc.)
- Relate your thesis/project to something that just happened in the news or a current issue
- Relate your work to what you want to do after you graduate
- Relate your work to your passions
- Talk in multiple languages (with translation please)
- Include illustrations or props
- Travel off campus for part of your video
- Do a cartwheel
- Show the three spots that you spent the most time at while working
- Do three of the above at once
- Include recommendations for further reading/information

Prizes will be awarded to three outstanding videos.
