

# Honors 295CH: Preparing for Study Abroad

This spring semester, one-credit gateway course is designed for Honors students who are considering study abroad.

Its purpose is to help answer questions such as *Where should I go to study abroad? When is the best time to go? Should I go abroad for one semester or a full academic year? On what kind of program should I go?*

The course will enable students to clarify their study abroad goals and to choose the best program to meet these goals.

Classes meet on Wednesdays from 2:55pm to 3:45pm.
