Research Conference: Campus Contact Roles and Responsibilities

Campus Contacts

Each campus that participates in the Undergraduate Research Conference has a Campus Contact. The Campus Contact acts as a mediator between their campus and the Conference Coordinator at UMass Amherst. Campus Contacts are the "go-to" person for questions about the conference.

Campus Contact Responsibilities

Campus Contacts have the following responsibilities:

- Publicize the Undergraduate Research Conference on their Campus
- Register their campus online
- Monitor the status of students' abstracts on their campus
- Contact students and their faculty sponsors if an abstract is late for submission or approval.
- Provide students with information about how to: write abstracts, give poster and oral presentations and answer other questions that students may have.
