Welcome Commonwealth Honors College class of 2016. Congratulations on your acceptance to the University of Massachusetts Amherst and to Commonwealth Honors College! We are pleased to hear that you plan to attend the University and encourage you to jump right into the Honors community.

**NSO Honors Meeting:**

During your New Student Orientation (NSO) session, a required Commonwealth Honors College Meeting will be held at 3:15PM on your first day of NSO (which will be either Monday or Thursday), followed by dinner with a Commonwealth Honors College Peer Advisor. At this meeting you and other new honors students will discover more about Commonwealth Honors College, its requirements and many academic and social opportunities. In addition, you will:

- connect with Honors Advisors and other new Commonwealth Honors College students
- sign a membership contract confirming your agreement to complete the Honors College requirements
- explore the Honors and other University Residential Academic Program (RAP) options
- have an opportunity to ask questions about Commonwealth Honors College

**Advising & Course Registration During NSO**

During your second day of NSO, all students will meet with an advisor and register for classes. CHC students who have declared a major will meet with an advisor in that department. CHC students who have not declared a major will meet with an Commonwealth Honors College advisor. **All honors students should register for at least one honors course during their advising appointment.** Honors course suggestions are as follows:

- **HONORS Seminar 1 291A: Ideas that Changed the World** - All CHC student are required to take this course during their first year.
- **ENGLWRIT 112H** - All CHC students are required to take this course in their first year. Please see Writing Placement Exam information if you believe you might qualify to be exempt from this requirement.
- **Any HONORS version of a General Education course** - CHC students can
often fulfill a University Gen Ed requirement and a CHC requirement with a single course.
