

STUDENT INSTRUCTIONS FOR CHC PATHS

www.honors.umass.edu/chc-paths

1 LOG IN

Visit www.honors.umass.edu/chc-paths.

Log in using your UMass NetID and password.

2 START A NEW CONTRACT

Determine which type of course contract you would like to create:

499Y: Part I of Honors Thesis or Project

To enroll in the first semester of an independent Honors Thesis/Project.

499T/P: Part II of Honors Thesis or Project

To enroll in the second semester of an independent two-semester Honors Thesis/Project.

To enroll in a one-semester 6-credit Honors Thesis/Project.

ISH: Independent Study Honors

To enroll in an independent study.

3 INFORMATION

Review relevant details about submitting a course contract.

4 STUDENT SECTION

Review the information about your major and honors plan. Contact a CHC advisor to make changes.

Indicate the faculty member(s) who will guide your independent work.

Enter the number of weekly hours you will dedicate to your independent work.

5 SEMESTER PLAN/PROPOSAL

As part of the course contract, the semester plan or proposal is a binding contract (similar to a course syllabus) that outlines expectations. Students should complete each section of the proposal and consult the faculty member for guidance.

6 FINISH/SUBMIT

Save the form to return later and make further revisions. Submit it if you have entered all of the requested information and are ready to submit it for review.
